Say hello to good health
Nothing compares to the sheer joy and satisfaction of knowing you’re in good shape. That ‘feel good’ factor has a resounding impact on each and every aspect of your daily life. Today, it’s the only true immunity from the ever increasing challenges of modern day living.

That’s where Hello Health comes in. With the firm belief that prevention is better than cure, we’ve created a series of proactive health check-ups, detailed to point out any potential threats to your biological system, thereby preventing the occurrence of any major damage.

The Healing Tree services of the Shree Krishna Hospital reflect our commitment to healthcare in every aspect of care and treatments we offer. We have always stayed true to that cause and through years of experience, gained valuable expertise. It’s this dedication and knowledge that has gone into creating these comprehensive health check-up programmes. Take a little time off from your hectic schedule. It’s time to make time for good health.

Health Check-up Programmes are offered through packages that include:

- Platinum
- Whole Body
- Premium
- Well-Woman
- Regular
- Cardiac
- Cancer Detection

Our Hello Health programmes are available as day and overnight packages. The overnight package includes a comfortable stay at the state-of-the-art Privilege Centre, where we provide you with nutritious meals and rest before your check-up begins.
